

July 2016

Dear Diary,

What an exciting month I've had here at Wilbury Primary School in London! After arriving here, I soon got to hear from my old friends in France as Wilbury children took part in a videoconference with them. They sang lots of songs and had a lovely time! I took a picture with them right after – here they are:

There was also lots of exciting events that happened at the end of the year. I saw my first Wilbury Sports Day where I did really well in the long jump! Here at Wilbury they also have a marathon where all the children run really really far! It was very tiring for someone with small legs like me!

There was even a Wilbury Carnival where the whole school paraded in carnival masks, danced and ate cake. It was very tasty!

I've been having a nice rest over the summer and can't wait for September when the children come back. I'll tell you all about it soon.

Lots of love
